How we work

We provide a flexible training and consultancy service to organisations or individuals. Our calendar courses are open to anyone, and if you would like to arrange a course specially for your

team, we can deliver a bespoke course at a time and a place to suit you.

If you would like to discuss bespoke training, [contact Annie](#). Alternatively, if you would like to book onto one of the calendar courses, click on one of the links on the left.

New courses

Face to face courses

We have just launched two new courses:

[Verification of expected death for nurses](#)
[B12 injections for HCAs](#)

In addition to these, we will soon be launching **Pneumococcal, Influenza and Swine Flu for Health Care Assistants**.

Online courses

Watch out for our new online courses - available from April:

- Heart Failure
- Delirium Depression and Dementia, Medication Management for Nurses
- Respiratory Workshop

Online Cervical Cytology updates and courses

We will be providing this new service in partnership with Mary White. Please [contact Annie Barr](#) for further information.

Any queries - get in touch!

If you would like to discuss any of our services, please get in touch. We would love to hear from you.

In the meantime, have a happy and prosperous new year.

Sincerely,

Annie Barr
